

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Someone broke into the Vermont Marble company shop at West Rutland Sunday and stole over \$100 worth of leather belting.

The first successful trout fishers heard from were Alex Porter, Preston Way and Phil Fletcher, all of whom had excellent luck in coaxing the fish out of the water in St. Johnsbury. Mr. Porter caught twelve.

Two mammoth lemons, both grown in Rutland by Walter P. Rice, son of the florist there, have been on exhibition recently. One is 11 inches in circumference and the other 10 1/2 inches. They resemble an orange in shape rather than a lemon.

At the annual spring golf tournament of the Ashville, N. C. Country club last week, the gold medal for the low qualifying score was won by George E. Morse of Rutland, who made the 18 holes in 80 strokes. The next two highest men were tied at 83. Mr. Morse made the longest drive ever made on the Ashville course.

Thirty-five men from St. Johnsbury and nearby towns have enlisted in the navy, among them Rev. Cairns of Wheelock, who will be second-class boatswain's mate. Among those from St. Johnsbury were several who had been rejected from Co. D following the physical examination.

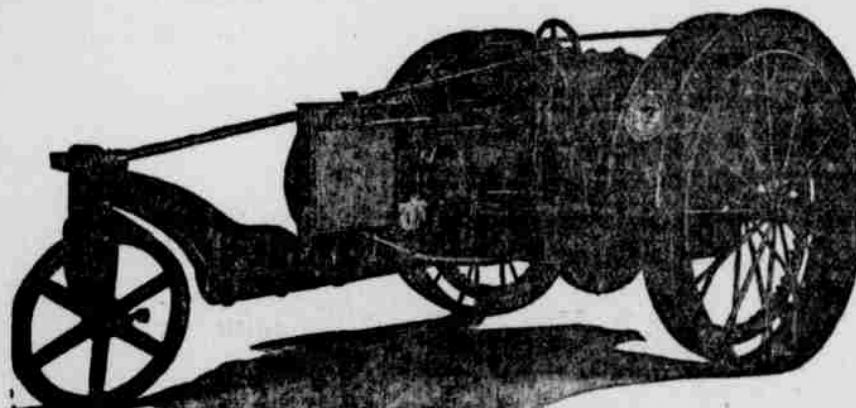

A group of men connected with the Burlington water department have leased 14 acres of land south of Ledge road, which will be ploughed and planted to potatoes and beans as an experiment in farming. The young women of Grassmount, at the University of Vermont, have asked the college authorities for permission to have part of the lawn ploughed up for their use in raising vegetables.

DISSOLUTION OF PARTNERSHIP

The partnership heretofore existing between W. W. Calder and H. A. Richardson, doing a general coal and wood business, is this day dissolved by mutual agreement. Henceforth, H. A. Richardson, taking over all interests in the business, will assume all indebtedness of the company, and all accounts due the company must be paid to the said H. A. Richardson.

Own Your Home

The man who owns his home becomes a better citizen and an asset to the community. It also pays.

Every man owes it to his wife and children to provide them with a home. It anchors him to the best in the community and improves his credit. If he rents, he assumes a debt which becomes due each month with the regularity of the rising sun as long as he lives. If he buys, he soon will owe no man and can leave an inheritance to his children.

If a man rents a house for \$25 per month, at the end of ten years he will have for his \$3,000 nothing but a bundle of rent receipts. The same amount applied on the purchase price will buy him a home. It pays to own your home.

Obtain full particulars concerning some of the desirable homes we have on our list. There are many good, honest values, which we are offering on terms that cannot fail to be satisfactory. Among them is a 7-room cottage built but a few years, finished in soft and hardwood; bath, electricity and gas, furnace, cellar, hot and cold water, fruit trees, lot 50x40 feet. This property is in very good condition and located on a good street, only 5 minutes from business section. Price is \$2,700, reasonable terms. May we have the pleasure of showing you this property?

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
